Being Planned to Upgrade

Times Square Shopping Center--NW Corner of Cedar & 42; City has applied for grants from the County (CDA) to try and assist the owner to update the center, add a community pedestrian and/or park area. The City plans to start there but to look at upgrading the entire quadrant of the NW Business District. The owner of Times Square is eager to see the upgrades and assisting his own reinvestment on this critical corner. It was upgraded last in 1990 and built in 1968. TCF Bank and Warner's Stellan and the main anchors.

Awards

Tamra Mueller & James Barton Design Build won another award for the 2009 Master Design Award. Tamra's design won in the "Room Addition Under \$100,000 category" in Qualified Remodeler Magazine.
